

**U.S. Department of
Transportation**
Office of the Secretary
of Transportation

DEPARTMENT ACTION ON APPLICATION IN DOCKET OST-2004-18651
filed July 14, 2004

Application of Virgin Atlantic Airways Limited (Virgin Atlantic) for a statement of authorization to permit Virgin Atlantic to display the designator code of Singapore Airlines (SQ) on Virgin Atlantic flights between London, England, on the one hand and Miami, Florida, Boston, Massachusetts, and Washington, D.C. on the other hand.

Approved under assigned authority (14 CFR § 385.13).

Date of Action: August 5, 2004

A handwritten signature in cursive script, appearing to read "Scott Smith", written over a horizontal line.

Director, Office of International Aviation

This action is subject to the conditions attached. Persons entitled to petition the Department for review of this action under the Department's regulations, 14 CFR § 385.30, should file their petitions within seven days of the date of this action. This action is effective immediately, and the filing of a petition for review will not alter its effectiveness.

Docket OST-2004-18651

filed July 14, 2004

Application of Virgin Atlantic Airways Limited (Virgin Atlantic) for a statement of authorization to permit Virgin Atlantic to display the designator code of Singapore Airlines (SQ) on Virgin Atlantic flights between London, England, on the one hand and Miami, Florida, Boston, Massachusetts, and Washington, D.C. on the other hand

The code-share operations authorized here are subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) Virgin Atlantic and Singapore Airlines continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.
- (b) Virgin Atlantic and/or Singapore Airlines must promptly notify the Department if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating the approved code-share services. Such notice should be filed in Docket OST-2004-18651.¹
- (c) The code-sharing operations conducted under this authority must comply with 14 CFR Part 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.*, the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected.
- (d) The authority granted here is specifically conditioned so that neither carrier shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.
- (e) We may amend, modify, or revoke the authority granted at any time without hearing at our discretion.

¹ We expect this notification to be received within 10 days of such non-effectiveness or of such decision.
